## Quality Management System EN ISO 13485:2016

Registration No.: SX 1676732-1

Organization: DST Diagnostische Systeme &  
Technologien GmbH  
Güterbahnhofstr. 16  
19059 Schwerin  
Germany

Scope: Design and development, manufacture and distribution of in-vitro diagnostic test kits for laboratory diagnostics and rapid diagnostics of allergies, food intolerance and food hypersensitivity

The Certification Body of TÜV Rheinland LGA Products GmbH certifies that the organization has established and applies a quality management system for medical devices. Proof has been furnished that the requirements specified in the abovementioned standard are fulfilled. The quality management system is subject to yearly surveillance.
